INSTRUMENTATION

flute

soprano saxophone

accordion

TRANSPosed SCORE

INSTRUCTIONS

general

dynamics are written in two different ways:

mp = sounding dynamic: mezzo piano. a great amount of action/power might be necessary to reach the written dynamic level.

"ff" = action dynamic: fortissimo. sounding result is probably much softer.

half tone flat, quarter tone flat, natural, quarter tone sharp, half tone sharp, three quarter tones sharp.

staccato, always as short and dry as possible.

playing techniques

FLUTE

air sound; breath in/breath out. breath out when there is no indication of breathing direction.

closed embouchure. as long as the line continues.

tongue pizz. always as short and dry as possible.

aeolian sounds; pitches mixed with much air sound. this is produced by placing the mouth further away from the embouchure than is usual. the pitches will be approx. a halftone sharper than usual.

key clicks. use 2nd, 3rd and 4th finger of right hand simultaneously for each note.

bend pitch down as much as possible.

tongue ram.

flutter tongue (air sound).

SOPRANO SAXOPHONE

air sound; breath in/breath out. breath out when there is no indication of breathing direction. staccato air sounds should always be played very short and stopped with the tongue to produce a soft, percussive sound when cutting off the air stream (both when breathing in and out).

key clicks. use key no. 1, 2 and 3 simultaneously for each note.

flutter tongue (air sound).

ACCORDION

pull/push the bellows.

bend pitch down as much as possible.

air sound (air button).

sounding register change; percussive sound from pushing the register button. continue to play with this registration. when register changes are written above the system they should be done as silent as possible.

start/end each note unnoticeably; dal niente/al niente

83 $\text{♩} = 72$

pp pppp

pp pppp

Detailed description: This system contains measures 83, 84, and 85. It features two staves. The upper staff is in treble clef, and the lower staff is in bass clef. The tempo is marked as quarter note = 72. The key signature has one sharp (F#). The time signature changes from 4/4 to 2/4 to 3/4. The music consists of triplet eighth notes in the first two measures, followed by a sixteenth-note triplet in measure 84, and then long, sustained notes in measure 85. Dynamics range from *pp* to *pppp*.
